About Asian American Medical Group

Singapore-based and Australian Securities Exchange-listed Asian American Medical Group (“AAMG”) operates leading liver and radiation centres in Singapore. Established in 1994, its Asian American Liver Centre is one of Asia’s foremost liver centres led by renowned hepatobiliary expert and liver transplant surgeon, Dato’ Dr Tan Kai Chah who helped start the Liver Transplant Programme at the King’s College Hospital London, and pioneered the Living Donor Liver Transplantation Programme in Singapore.

AAMG also provides healthcare management and consultancy services for healthcare overseas projects. It also manages healthcare real estate, including the development of AAMG’s cancer centre in Johor, Malaysia.
